Seasonal food is tastier because it is harvested at the peak of ripeness.

Spring is the time for fresh peas and sugar snaps; lettuce and kale; blueberries, rhubarb, and strawberries.

Is a local community-supported agriculture (CSA) box the best way for you to add tasty produce to your diet? Consider the Oxford Farm CSA weekly delivery: [https://goo.gl/ER3s7r](https://goo.gl/ER3s7r)

Look For The Icon! to identify in-season local produce.
